## Club News

The Adults session has now moved from the small hall to the main hall and starts at 7:30 pm and finishes at 9:00pm. This is because we have had feedback that our original session's times were too late for people.

Over the next few months there is the opportunity to take part in the Pavilion Table Tennis Club Ladder competition. Contact Stuart Burdock via email [stuart.burdock@gmail.com](mailto:stuart.burdock@gmail.com)

If you want to participate in more formal competitions you can find a list for Sussex on the Sussex County Table Tennis Association web site.

## **Clothing**

Suitable clothing should consist of a short sleeved shirt and either shorts or a skirt. A track suit is acceptable for training and for keeping warm when active. All clothing should not be too tight which, restricts movement or too loose which, gets in the way of playing strokes. The players' clothing should allow good visibility of the table tennis ball and should therefore not be orange or white. Shoes should provide good grip on the floor and be light, flexible, have good support around the heel and instep. Trainers are not recommended because they have inflexible soles and the heels are too high. This risks damage to a player's ankle. Any shoes that are used have to have non marking soles so as not to damage the hall floor.

The club sells Navy blue Fruit Of The Loom polo shirts with the club logo in the following sizes

- 7-8 (128 cm) £7.50
- 9-11 (140 cm) £7.50
- 12-13 (152cm) £7.50
- 14-15 (164cm) £8.50
- Adult (S 35/37") £12.50
- Adult (M 38/40") £12.50
- Adult (L 41") £12.50
- Adult (XL 44/46") £12.50
- Adult (XXL 47/49") £12.50

## **Equipment**

The club provides table tennis bats etc. for its players to use during sessions. If a player would like their own bats etc. they will be able to purchase them through the club (we hope to get reasonable deals from specialist suppliers). The club would not recommend buying bats from ordinary sports shops without taking specialist advice first. Bats can be expensive and getting the wrong bat/rubbers could make it a waste of money.
